#### **CRITERION I – CURRICULAR ASPECTS**

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college adheres to the curriculum prescribed by Sambalpur University for delivery of course materials in both Theory and Practicals subjects . The classes are reflected in the College Time-Table, Lesson plans are prepared by the respective subject teachers according to the teaching hours available to them. Seminars are organized to expose the students to the core value of the topics taking students, teachers and by inviting External experts in some cases. Steps are taken to organize Equal Opportunity work shop, Gender Sensitization programme, self defense training for girls, Annual Sports. For capacity building and leader ship, representations of students are ensured through the elected body of students union , where they participate in the academic and administrative affairs of the college for promotion of equity and excellence . Steps have been taken to create question banks by the departments to acquaint the students with the possible areas of study and make them prepare well for the Examinations. The college calendar prepared in the beginning of every academic year helps the students understand the time-frame of different programmes and make them prepared to meet the academic needs during the year.

#### **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

 The principal being the key functionary executes all plans and actions with regard to academic and administrative matter. One administrative bursar, one accounts bursar and one academic bursar have been appointed by the principal to look into matters on his behalf. All the important files move through them and reach the concerned clerical section for compliance. All financial matters requiring government concurrence are sent to the governing body for approval.
 There is a duly constituted staff council in the institution to assist the principal in academic, curricular and extracurricular activities. Different committees have been formed to look into the grievances of the student, student union, equal opportunity cell, anti- ragging cell, career counseling cell, Red Cross and NSS taking teachers from all disciplines. All decisions with regard to academic matters are taken in consultation with these committees.

6.1.2 - Does the institution have a Management Information System (MIS)?

#### Partial

#### 6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Being an affiliated college of Sambalpur University, the college imparts teaching as per the prescribed syllabus introduced by the University from time to time. However some senior teachers are often nominated to the syllabus committees of the University where they initiate reforms and changes in the upcoming syllabus as per feedback received from our students.
Teaching and Learning	Teaching is imparted mostly through lecture-cum- discussion method. Separate laboratories are available for the conduct of practicals in science and arts stream. There has been a constant endeavour to broaden the grasp of students through periodic seminar and extempore lecture.
Examination and Evaluation	Before the final University

	examinations students are required to take monthly test and term examination to be eligible for filling up forms. While they are evaluated by the lecturers at the college level, the evaluation of the final examination and award of grade is done by the University where our faculties participate as per assignments.
Research and Development	Since it is a UG college there is no research cell. However teachers pursuing MPhil or PhD are granted study leave to complete their programs. Teachers are also allowed to attend the different refresher and orientation programs conducted by academic staff colleges in the universities of India to augment their interest in the field of research.
Library, ICT and Physical Infrastructure / Instrumentation	The college has a central library to meet the academic needs of the students and staff. Books are issued as per a scheduled routine made by the college. The students can borrow books on text and references or can read them sitting in the library.
Human Resource Management	This college has a well established and defined administrative and academic section to look after the business of the employees and the students. There is a systematic record of files of service particulars, accounts and students matter under the custody of a clerk and supervised by bursars. The library and sports are managed by a librarian and a PET respectively under the principal as the controlling authority.
Industry Interaction / Collaboration	The local industrial sector is often invited to enlightened the students on entrepreneurship and to inculcate scientific temper among the students.
Admission of Students	SAMS (Student Academic Management System) of Govt. of Odisha . Higher Education Deptt conducts the whole process of admission of students into 3 classes annually through a centrally monitored mechanism for the state of Odisha where students with the cut off marks are allotted seats in the college. The system provides representation of SC, ST, OBC, Minorities and PWD in accordance with the reservation criteria fixed by the state government.
